WORK DAY POLICY

As an effort to perform cost effective maintenance and repairs to the school's buildings and grounds, parents, guardians or paying members are required to participate in workdays. Rules for workday participation are as follows:

- Parents, guardians, or paying members are required to participate in one (1) workday per each semester. This will equate to participation in two (2) workdays per school year.
- If a workday schedule conflicts with parents', guardians', or paying members' schedule, they are encouraged to contact the school office. Typically, there are available workday tasks both pre and post workday.

- **6 man-hours are required per each workday.** A minimum of three (3) continuous hours are required per each participant. As an example, four (4) adults working one & one-half (1-1/2) hours each are not acceptable.
- **Parental or adult man-hours only count as workday hours.** Although students are encouraged to participate in workday, **student hours will not** be considered as applicable towards workday hours.
- If a new student begins attending school within a time period after the first scheduled workday but before the latter four (4) weeks of a semester, workday participation for that semester remains applicable.
- Workday man-hours will only be applicable towards workday tasks. Special exceptions to this rule may be considered on a case-by-case basis.
- Failure to participate in a scheduled workday or the performing of workday tasks will result in posting a \$250 fee to the member's bill. If participation is partial of six (6) man-hours, billing will be prorated accordingly.

RAFFLE TICKETS

Every member family of Escambia Academy is **required** to purchase or sell 30 \$10.00 raffle tickets each year. The tickets will be billed to you at \$100.00 per month for the months of July, August, and September. You may pay for the tickets with your check along with your tuition, or you may turn in checks made out to Escambia Academy from individuals to whom you have sold tickets as long as the amount turned in each of the three months is equal to at least the \$100.00 billed.

There will be one drawing for a \$5000 prize at the Homecoming Football game at halftime. One does not have to be present to win.

The proceeds of the raffle sale are for capital improvements to our school. Presently, the proceeds of the next several year' raffles will be to make annual payments on the remaining debt associated with our new Middle School/Administration building. Over one half of the cost of that building was raised from donations outside of the school and the remainder was financed.

Please be understanding of the necessity of this fund raiser. Few people really enjoy selling tickets, we realize, but this project at least gives families the option of just purchasing the tickets themselves or of raising the money by selling tickets. The proceeds of the raffle are absolutely essential in order for the school to meet its obligations.
