# ESCAMBIA ACADEMY RULES AND POLICIES

## **I. ADMISSIONS**

### ***A. General Admissions***

At least one parent or guardian of any student wishing to enroll at Escambia Academy must first complete and submit an “Application for Admission” form and remit the \$250 registration fee. Applications from non-members will be placed on a priority waiting list until after the end of the pre-registration period for members. After the pre-registration period, if a non-member application cannot be accepted due to class size limitations, the registration fee will be refunded.

For purposes of making application for registration or pre-registration to EA, a “family unit” consists of one adult who has accepted financial responsibility for the expenses of attending EA for their own children and the children of their spouse who are living in the same household as the financially responsible adult. Each “family unit” must make a separate application for admission or pre-registration, accompanied by payment of the respective fees.

The Headmaster and/or the Recruitment and Admissions Committee of the Board of Directors will review the application and conduct an interview with the prospective students and their family.

A final decision will be made concerning the student’s actual admission to Escambia Academy following the receipt of all required documents and fees. Any new students in grades 8-12 enrolling will be required to be drug tested by our agent prior to admission. Please refer to pages 14-15 Student Drug Testing policy.

Escambia Academy admits students without regard to race, color, gender, religion or national origin.

### ***B. Pre-registration***

In early spring (dates to be set annually by the Board of Directors) an in-house pre-registration will be held for member families. During this pre-registration period, current EA families are given the opportunity to register their students for the upcoming school year before registration is opened to the public. All accounts must be up-to-date in order to qualify for pre-registration. In the event that during this pre-registration period there are more registrations for any particular class than the maximum class size limits permit, first priority will be given to those students who are properly registered and currently attending EA in the proper grade. Any openings remaining in the class will be filled in the order determined by the Board of Directors. Any in-house registrations that cannot be accepted due to the class size will be put on a waiting list in the order in which the applications were received.

At any time designated by the Board of Directors applications may also be accepted from non-member families, along with the appropriate registration and testing fees. These applications will be placed on a “priority waiting list,” and will be processed immediately after the close of the pre-registration period. At that time non-member families on the priority waiting list will be admitted, as space is available. Once a student has been accepted the registration fee is non-refundable. If a space is not available for a “priority wait list” applicant, the registration is refundable in the event that the applicant does not remain on the “priority wait list.”

### ***C. Student Re-evaluation Policy***

Any student who has been suspended for any reason during the school year will require the approval of the Board of Directors prior to re-enrolling for the subsequent school year.

### ***D. Class Size***

Enrollment at Escambia Academy is limited. Escambia Academy believes that small classes are conducive to optimum learning. Class size limits are as follows:

K-4 Kindergarten	23
K-5 Kindergarten	20
Grades 1 – 5	24
Grades 6 – 12	There is no maximum grade size, but no individual academic class may have more than 28 students. The Headmaster and the Board of Directors will consider double sectioning a grade when the number of students on the waiting list indicates that such action would be financially feasible.

## **II. RELIGION**

While Escambia Academy is not a church-sponsored school, it does strive to provide a Christian atmosphere for all of its participants. Every class has a daily devotion during homeroom. In most cases, this routine consists of prayer, Bible reading, and/or a devotional. Escambia Academy has a Fellowship of Christian Athletes Club and other Christian groups, which serve to further this goal. Escambia Academy also holds chapel each week. All students are required to attend along with their teachers at the designated time.

## **III. VOLUNTEERS**

### ***A. Homeroom Mothers***

The Homeroom Mothers help to coordinate many of the activities at Escambia Academy. They are active in raising funds to provide materials and equipment not available through the regular operating budget, they provide the workers for the concession stand at home football and basketball games, they support many volunteer activities, and they are responsible for all school-related class parties.

### ***B. VIP***

These volunteers provide many services on a daily basis for the faculty and staff of Escambia Academy. They arrive at the beginning of each school day and stay until 11:00 A.M. Maintaining the sick room, making copies for teachers, delivering messages, laminating items for staff members, and running off the daily bulletin are among the many services these wonderful people provide. Members are encouraged to participate in this worthwhile program.

### ***C. Sports Volunteer Schedule***

Volunteers are essential to enable EA to host sporting events for our students. Organization of volunteers will occur by class as well as by parents of athletes for various sporting events for volunteer service, i.e. concessions. This information is provided in the Registration Packet and will be updated as needed.

### ***D. Parent Teacher Organization***

Will enhance and support the educational experience at Escambia Academy, develop a closer connection between school and home by encouraging parent involvement, and improve the environment at Escambia Academy through volunteer and financial support.

## **IV. TUITION, FEES, AND BILLING**

The Parent/Guardian and/or Financially Responsible Party enrolling a student, contracts and agrees to pay all tuition and fees for the full academic year. In the event that the student does not attend, withdraws from the school, or is dismissed by Escambia Academy before the end of the school year in accordance with the established school policies, the Parent/Guardian and/or Financially Responsible Party executing the student's registration documentation shall remain obligated for all tuition and fees for the full academic year in addition to late fees, cost of collection, reasonable attorney's fees, or any other cost incurred in the enforcement of Escambia Academy Rules and Policies.

5. Building and Grounds Fees shall be charged to those families who do not participate in scheduled workdays as set forth in Section XXXII *Workday Policy*.
6. A Volunteer Fee shall be charged to any family who fails to appear or have another appear in their place when scheduled to work at a school sponsored event.

#### **C. Delinquent Accounts.**

Once an account becomes 60 days past due it is considered delinquent and the following action is authorized:

6. Any member receiving tuition assistance will forfeit all rights to assistance for the remainder of the academic year and will be assessed full tuition once the account becomes 60 days past due. Reinstatement of tuition assistance may be approved by a two-thirds vote of the Board of Directors.

#### **D. Non-waiver.**

Any failure of Atmore Private School Foundation, Inc. doing business as Escambia Academy to fully enforce its rights hereunder shall not be deemed a waiver of its ability to enforce said rights at any time. As a courtesy, reminder notices will be included on the monthly statement when accounts are 30 and 60 days past due. Any failure to provide a reminder notice does not excuse any delinquency or any financial obligation due.

### **V. CHANGE OF ADDRESS**

Any changes of physical addresses, email addresses and/or phone numbers should be given to the office as soon as possible after they occur. This information is especially critical for contacting members in the event of emergencies.

### **VI. ACCIDENT INSURANCE**

The mandatory insurance plan covers all students for treatment of bodily injury as a result of accidents occurring during school time; or when participating in school sponsored and supervised activities, whether at EA or away; when traveling directly to or from a school sponsored activity in a school provided vehicle; and when participating in interscholastic sports, school sponsored and supervised religious services and/or classes of religious instruction.

### **VII. LUNCHROOM**

Convenience Lunches from outside vendors are offered daily. The lunchroom will be available each day with varied a-la-carte items and drinks. Order forms will be provided approximately one week prior to the date lunches will be delivered. Instructions with each order form should be followed so each student will receive the lunch as ordered either from an outside vendor or from the lunchroom services.

Any group order of outside food may not be brought in to the school except when the Headmaster has provided permission based on planned activities. If a student forgets his/her lunch money he/she will be allowed to eat but must pay the cost of the lunch the following day.

## **VIII. HOMEROOM AND SCHOOL HOURS**

Homeroom is the period from 7:45-7:50 a.m. Homeroom is used to take roll, fill out admission slips, have devotions, take lunch count, and conduct class business. Any group with an announcement for the daily bulletin should make sure that it gets to the office the day before the announcement is to be made.

Students should not arrive on the campus before 7:15 a.m. Those students arriving at or after 7:15 A.M. and before homeroom (7:45A.M.) shall report to the middle school gym. Dismissal time is 3:00 p.m.: Students should also be off campus after 3:25 P.M. unless supervised by school personnel or unless they are involved in an athletic event. The Headmaster, faculty, and staff welcome and encourage the opportunity to meet with students and parents to discuss any concerns or problems. Appointments should be made in advance. Conferences should be set up in the office and made at least one (1) day in advance. Two days will be designated on the school calendar for parent/teacher conferences. Before the Headmaster is contacted about any complaint, the matter should first be taken up with the teacher involved. If the matter is not resolved satisfactorily after direct contact with the teacher involved, the Headmaster should be contacted. The Conflict Resolution Committee of the Board of Directors may be contacted if the problem is not resolved after consulting the Headmaster.

## **XI. CONFLICT RESOLUTION POLICY**

Escambia Academy is genuinely interested in resolving membership complaints or grievances for the betterment of the entire school. When a grievance occurs, an attempt is made to resolve the issue quickly and fairly at the lowest possible level.

### **A. Conflict Resolution Procedure**

1. The member should first discuss any grievance, problem, or complaint with those directly involved in the issue. Most grievances can be resolved in discussion at this stage.
2. If Step 1 has been carried out and the concern cannot be resolved directly between the member and the staff or faculty person, the member may take the concern or grievance to the Headmaster. The Headmaster will meet with the person(s) concerned in the hope that the issue can be resolved at this level.
3. If the member is not satisfied with the Headmaster's resolution, he/she may appeal the decision to the Grievance Committee of the Board of Directors. The Board of Directors of Escambia Academy will not tolerate spreading of rumors, petitions or dissension within the membership. At the request of the member, the Headmaster will attend meetings held between the member and the faculty/staff member.**

## **XIX. DRUG POLICY**

Escambia Academy is dedicated to academic and athletic excellence, to the personal growth and well-being of its students. This mission requires a school environment that is safe in order to maximize the full potential of its students. Escambia Academy is demonstrating its leadership and commitment to the community by instituting a drug-testing program for students, faculty, staff, volunteers and Board Members. All students in Grades 8-12 are subject to drug testing.

### ***A. Student Drug Testing***

1. **RANDOM:** Students in grades 8-12 shall be randomly tested throughout the school year to achieve a goal of 50% of students in grades 8-12.
2. **FOLLOW-UP TESTING:** Any student testing positive on the initial test will be tested periodically in the discretion of the Headmaster and any student that is suspected of drug use will be tested upon the request of the Headmaster.
3. **REFUSAL TO TEST:** The refusal to take the drug test will result in mandatory dismissal from school.

### ***B. Employee/Board Member/Volunteer Drug Testing***

All employees, Board Members, and volunteers including coach staff, VIP and any other volunteer who assumes responsibility and supervisory care and custody of students on campus or at school sanctioned events on a recurrent basis are subject to drug testing as follows:

1. **ANNUAL TESTING:** All employees, Board Members, and volunteers including coaching staff, VIP, and any other volunteer who assumes responsibility and supervisory care and custody of students on campus or at school sanctioned events on a recurring basis may be tested prior to the beginning of each school year. Initial testing will be conducted over the course of 3 weeks prior to classes beginning each year.
2. All employees, Board Members, and volunteers including coaching staff, VIP, and any other volunteer who assumes responsibility and supervisory care and custody of students on campus or at school sanctioned events on a recurring basis may be randomly tested throughout the school year to achieve a goal of 50% of random testing for all such persons.
3. **REFUSAL TO TEST:** The refusal to take the test will result in mandatory termination of employment, removal from the Board of Directors, and preclusion from authority as supervision of any students or activities sponsored by Escambia Academy, as applicable.

### ***C. Testing Method***

Instant testing has been selected as the current method of testing. Escambia Academy reserves the right to change the method of testing in the future. An outside independent testing laboratory will perform the collection and analysis of specimen utilizing an On-site screening device.

This instant testing method is cost effective, simple and reliable. The instant testing method enables participants to be tested quickly and efficiently, thus returning them to the classroom. All tests are FDA-approved for reliability and quality. Each specimen will be analyzed for a minimum of 7 drugs including alcohol, amphetamine, cocaine, marijuana, methamphetamine, opiates, phencyclidine and/or suspected drugs.

Students, employees and Board Members will be allowed to verify current medications they are taking which have been prescribed and may explain test results. Verification must be with current prescription bottle. Escambia Academy will consult with a medical review officer for verification of medical issues. The medical review officer will be chosen by the Escambia Academy Headmaster and Board of Directors.

### ***D. Confidentiality and dissemination of results***

All specimen collections and results are identified by a coded number. No names are recorded on the collection bag or on the test results.

1. Test results will be confidentially provided by the independent testing laboratory to the Headmaster/designee. All test results will remain strictly confidential between the individual testing positive, parent/guardian, Headmaster/designee and the confidential counseling program.
2. No tests results will be disclosed to any person or agency not identified above (#2) without signed written consent for the purposes of seeking professional evaluation and possible treatment.
3. All drug testing files will be destroyed upon graduation, termination of employment or end of Board and volunteer service.

### ***E. Consequences of positive results***

1. School personnel will not initiate criminal charges or other legal action against the student or the employee/volunteer based solely on a positive drug test.
2. The Headmaster/designee will refer the individual who tests positive and parents/guardians, if applicable, for a substance abuse evaluation through a licensed counselor or community agency acceptable to Escambia Academy. The counselor or agency will provide recommendations to the family or individual on any type of additional services that are required for successful completion of the program. The students and parent/guardians, faculty member, employee, volunteer and/or Board Member must seek this evaluation and follow all recommendations. All costs associated with counseling, treatment and periodic testing will be the responsibility of the parents/guardian and/or individual. A student, employee, volunteer or Board Member who tested positive one time and is in a counseling program approved by Escambia Academy may continue to attend classes and work as scheduled unless directed otherwise by the parent/guardian, Headmaster, Board of Directors, or substance abuse counselor.
3. Any individual refusing to follow the conditions of this policy will be dismissed from enrollment, terminated from employment or removed from the Board of Directors and volunteer position at Escambia Academy.
4. Any student who tests positive will be immediately placed on probation and removed from extracurricular activities for a period of 60 days. This includes activities for which the student is currently participating and try outs for future activities. The student will submit to testing at the conclusion of the probationary period and will be responsible for all costs related to the testing. After testing negative the student will be removed from probation and will be allowed to resume extracurricular activities. The student will be required to submit to monthly throughout the remainder of the school year as determined by the Headmaster and will be responsible for all costs related to testing.
5. Any student who tests positive and is a recipient of any type of tuition assistance will forfeit said assistance and tuition will be billed in full for the remainder of the academic year.
6. Any individual who tests positive more than one time at Escambia Academy may have the test re-verified from the positive sample at the individual's expense to determine a final result. The student will be suspended from school and the employee/Board Member/volunteer will be suspended from his/her position during the time period when re-verification results are pending. If the re-verification results in a positive test, the individual will be permanently dismissed from enrollment, terminated from employment or removed from the Board of Directors and volunteer service. If the re-verification results in a negative test, the student may return to school

and complete any work missed. The employee may return to school and will be compensated accordingly for days suspended and the Board Member/volunteer may return to volunteer service.

*Exclusion to the above consequences is only applicable when a valid, confirmed prescription is presented at the time the positive result is identified.*

A counselor or community agency may provide assessments and referrals for further assistance and treatment to any student, employee or Board Member who tests positive. Referrals will be made with consideration for the economic resources of the family. Parents, employees or Board Members may choose to seek independent resources to provide an assessment of their or their child's history and current involvement in alcohol or other drug use. Escambia Academy must approve the program and progress reports must be submitted to the school on a regular basis in order to determine that the student is making progress in an assistance program. At the conclusion of the program, written documentation should be presented to Escambia Academy confirming successful completion or failure to complete the program.

Results of drug tests, other than one pre-approved by Escambia Academy, will not be considered when administering this policy.

There are no appeal rights, nor may the Conflict Resolution Policy be enacted.

#### ***F. Self-Referral***

Any student, employee, volunteer or Board Member who, before being notified that he or she is to be tested, by his or her own free will admits to the Escambia Academy Headmaster that he or she has engaged in drug use and will be required to attend an assessment interview and abide by the suggestions of the counselor or agency. The individual will be tested per the above described Testing Method and comply with the applicable consequences. Refer to Consequences of Positive Results.

Driving to school is to be considered a privilege, which can be rescinded when abused. No student is allowed to drive a car on the school campus unless he/she has obtained a valid driver's license. Cars are to be parked in an orderly manner as prescribed and in the appropriate areas. **ONCE A STUDENT DRIVES A CAR ONTO CAMPUS, THE STUDENT IS NOT TO MOVE THE VEHICLE AGAIN UNTIL THE END OF SCHOOL UNLESS AUTHORIZED BY SCHOOL ADMINISTRATION.** Each vehicle a student drives to school must have a registration form completed in the office which includes insurance information, description of vehicle and tag information.

See “Academic Requirements” under “AISA Athletic Eligibility Rules” in section XXXIV.

## XXIII. GRADUATION REQUIREMENTS AND DRESS CODE

### A. General

Issuance of a high school diploma from an accredited ASIA school recognizes a student’s successful completion of an approved secondary educational program of required and elective courses designed to meet their needs. Upon successful completion of the prescribed units of course credits as outlined in Graduation Requirements, a student is awarded a diploma of graduation. All graduation fees, tuition, and other charges must be paid prior to the graduation exercises. If a student is deficient in ½ unit and will complete the deficient credit in Summer School, he or she will be allowed to participate in graduation activities. #### **D. Course Sequence**

Students must maintain a minimum grade of 75 in advanced math and/or science courses in order to take the next level math and/or science course. Conditional acceptance in the next level may be granted after conference with parent, student, teacher, and Headmaster.

#### **E. Graduation Dress**

Graduation dress is traditional cap and gown. Escambia Academy students and staff shall not wear extraneous items during graduation exercises unless approved by the Administration of Escambia Academy. The only acceptable additional items are those honoring Valedictorian, Salutatorian, Beta Club members, and senior presidents of school sponsored organizations. Any other robes, shawls, collars, cords, or articles of any kind will not be worn over, or on, gowns and mortar boards during graduation exercises. Students wearing such articles will not be permitted to participate in graduation ceremonies. Additionally, students may wear only one tassel and only one medal and one cord.

Failure to comply with the dress and behavior requirements for graduation set forth herein shall result in one or more of the following being imposed in the sole discretion of the Headmaster:

1. Exclusion from all activities during graduation week including but not limited to commencement service. Students excluded from graduation activities shall not attend any Escambia Academy graduation activity as a participant or as a spectator. Any such student shall have the opportunity to collect their diploma from the school office on the Monday following commencement provided all other graduation requirements and financial obligations to Escambia Academy are satisfied in compliance with the school policies applicable thereto;
2. Reduction of the student's final cumulative numerical average by ten whole points; and/or
3. A fine in the sum of \$500.00, which shall be immediately due and payable in accord with the financial policy of Escambia Academy.

### **XXIV. VALEDICTORIAN AND SALUTATORIAN**

The Valedictorian and Salutatorian of Escambia Academy shall be the students having the highest academic ranking among those who have attended E.A. continuously for all grading periods from 9<sup>th</sup> – 12<sup>th</sup> grades. This shall be determined at the end of the first semester of the senior year. The Valedictorian and the Salutatorian must be recipients of an Advanced Honors Diploma. In order to qualify for Valedictorian or Salutatorian a student must have taken the most advanced courses available in each subject. Class ranking is used for determining Valedictorian, Salutatorian, and in scholarship consideration.

The top three students of a graduating class will be determined as those college-prep students who continuously for all grading periods completed their 9<sup>th</sup> through 12<sup>th</sup> grades at Escambia Academy and have the highest numeric averages (for grades 9 through 12) in the core courses and foreign language. The more advanced courses will be weighed with preference given to the higher-level courses. **ONLY STUDENTS RECEIVING THE ADVANCED HONORS DIPLOMA WILL BE RANKED.**

### **XXV. ATTENDANCE**

Students are expected to attend all classes. When absence is due to illness or a death in the family, students may be excused. State Law reads, "Excused absences are as follows: illness, death in the immediate family, inclement weather which would be dangerous to the life and health of the child as determined by the principal, legal quarantine, emergency conditions as determined by the principal, and prior permission of the principal and consent of the parent or legal guardian." For non-emergency absences (as indicated by the State Law), Escambia Academy students may simply bring a written excuse from their parents two days prior to their being absent for any nonemergency reasons, which must be approved by the Headmaster. On the day of return to school following an emergency absence, the student must bring a written explanation, signed by his parents or legal guardian. By State Law, if a student returns to school after an absence without presenting a written excuse from his/her parents explaining the reason for the absence, the absence will be ruled unexcused. A student who has more than 20 absences may not receive credit for the year.

1. A student may not miss more than ten days per semester in any class for any reason except school functions. Students must complete certain contact hours per class in order to receive credit. Once the contact hours are

made up, credit for the class can be given. If a student is absent for more than twenty days per semester in any class, the subject must be repeated in summer school with a satisfactory grade.

2. Special circumstances involving extended illness or hospital confinement will be considered by the Headmaster and Board of Directors. Students on school-authorized trips are considered to be in attendance. Work must be completed prior to departure, if possible.
3. For a non-emergency absence to constitute an excused absence, parents must inform the Headmaster in writing prior to the absence. The student will then inform the teachers concerning that absence. It is the responsibility of the parents and students to work out a feasible policy for make-up work prior to an excused personal absence.
4. Students should consult each teacher concerning make-up work immediately following return to school following an illness or other emergency absence. The time allowed for a student to complete make-up work will be a maximum of 3 days (except in the case of an extended illness). Students will not receive credit for any work missed due to an unexcused absence. If a student does not bring a note from home explaining his absence on the following day, he/she will be given a 3-day grace period with a temporary, unexcused admit slip. If the note is brought and the reason is sufficient, the unexcused absence will be changed to excused. If a note is not brought on the second day, the unexcused absence will stand regardless of the reason. A telephone call from the parents does not take the place of a written excuse. A note must be on file at the office.
5. Alternative hours may be implemented to allow students to make up hours missed due to unexcused absences and tardiness. A fee will be assessed for participation for alternative hours.

## **XXVI. HONOR ROLL**

### ***A. General***

At the end of each nine week period and at the end of each semester, the following honor rolls will be published for grades four and above: A-B Honor Roll, A Honor Roll, and Headmaster's List. In order to qualify for Honor Roll, a student may not have a below average citizenship grade in any class.

### ***B. Requirements***

1. All A: Any student who has at least a 90 average in every class or subject or all A's on his/her report card.
2. A-B: Any student who has at least one A and no grade below an 80 in any class or subject or no grade below a B on his/her report card.

## **XXVII. NOTIFICATION OF ACADEMIC PROBLEMS**

Teachers are required to notify parents of those students who have academic problems. This may be accomplished by sending home a major test to be signed by the parents and returned to the teacher. Teachers may call and notify parents if a problem is evident.

**\*Progress reports will be available through the INow portal.**

## **XXVIII. ASSIGNMENTS AND HOMEWORK**

Homework is an integral part of the school program. Each teacher is at liberty to give homework to aid the students in their studies. Therefore, each student is required to complete his/her homework assignments on time.

Homework is given for several reasons:

### ***A. For reinforcement***

Most students require adequate review to master material essential to their educational process.

### ***B. For practice***

Following classroom explanation, illustration, and review of new work, homework is given so that the material will be mastered.

### ***C. For remedial work***

As instruction progresses, various weak points in a student's grasp of a subject become evident. Homework following instruction is given to overcome such difficulties.

#### **D. For special projects**

Book reports, compositions, special research assignments, and projects are some of the activities that are frequently assigned as homework.

#### **E. For preview**

To preview new material, usually reading new material, in order to become familiar with what will be taught in class.

Parents need to give full cooperation in seeing that the assignments are completed. Failure to complete homework will affect the student's daily grade, which is a portion of the final grade for the course.

### **XXIX. CHECK OUT PROCESS**

Any student who leaves the school campus during school hours must check out in the main office. The school strongly encourages parents to schedule routine medical and dental appointments outside of school hours. Teachers should be notified of non-emergency medical and dental appointments as soon as possible. Parents must send written notification of the appointment to the office. If not, the absence will be unexcused. Any student who leaves school during the day for any reason is responsible for all work missed. Tests and work missed during this time must be made up at the discretion of the teacher. Failure on the part of the student to see the teacher at the teacher's convenience upon the student's return to school concerning work missed may result in a zero. All prearranged absences must have work completed before departure, if possible.

**Any student who knows he/she is checking out of school should bring the check-out note to the office before school so it can be placed on the morning report.** This notifies teachers so they won't be looking for the students missing their classes.

### **XXX. VISITORS**

No one is allowed to visit others on campus without first being cleared by the office. Social visitation is not allowed during the school day. An unauthorized visitor will be asked to leave the school campus. The office will issue a visitor pass to anyone who is not a student or school employee for the safety of our students. All parents are expected to check in through the office before entering any school buildings.

### **XXXI. MISCELLANEOUS**

#### **A. Lockers**

The school will provide a locker for all students in grades 6-12. Any items on the lockers, floor or other inappropriate place will be collected. The school reserves the right to search student's lockers if necessary to maintain school operations and to protect other students' safety. Students are allowed to place locks on their lockers but must provide the office with a spare key or the combination. Locks may be severed under the supervision of the Headmaster to conduct necessary searches.

#### **B. Privacy**

There is no expectation of privacy of personal belongings brought on campus. Lockers, backpacks, purses, vehicles, etc. may be searched in the sole discretion of the Headmaster or faculty member for the safety and well-being of students, faculty and administration.

#### **C. Parties**

School sponsored parties must be held at school and must have prior approval from the Headmaster. Any off campus parties must be approved by the Headmaster. A certified lifeguard must be at all pool parties.

#### **D. Field Trips**

Grades K-4 through 5: 1 Chaperone per 10 Students

Grades 6 through 12: 1 Chaperone per 15 Students

Field trips are planned in conjunction with classroom activities and have a specific objective. The Headmaster must approve all field trips. Permission slips must be completed for each child for each trip. Expenses associated with field trips whether admissions, transportation, or meals, will be the responsibility of the student except in those cases where the field trip is already covered by a class fee. All efforts will be made to keep expenses to a reasonable level.

Students are required to attend all approved field trips. Field trips are considered regular school days, therefore attendance rules (see XXV) will apply to any absence. In addition, any student missing a field trip is required to make-up any work assigned in relation to the field trip. It will be the responsibility of any student missing the field trip to complete any test, quiz, homework, etc. that is assigned in relation to the field trip. In cases of an excused absence, the instructor will allow the student to take any test, quiz, or homework assignment associated with the field trip at a later date, with the instructor having full latitude on the timing of the assignment. If a grade is given a student for the actual attendance of the field trip, the instructor may or may not give an additional assignment related to the content of the field trip in the case of an excused absence. In the case of an unexcused absence, the student will receive a grade of zero for this event.

### **XXXII. Workday Policy**

As an effort to perform cost effective maintenance and repairs to the school's buildings and grounds, parents, guardians or paying members are required to participate in workdays. Rules for workday participation are as follows:

- Parents, guardians or paying members are required to participate in one workday each semester. This will equate to participation in two workdays per school year.
- If a workday schedule conflicts with parents', guardians' or paying members' schedule, they are encouraged to contact the school office. Typically there are available workday tasks both pre and post workday.
- Six man-hours are required per each workday. A minimum of three continuous hours are required per each participant. As an example, four adults working 1 ½ hours each is not acceptable.
- Parental or adult man-hours only count as workday hours. Although students are encouraged to participate in workday, student hours will not be considered as applicable towards workday hours.
- If a new student begins attending school within a time period after the first scheduled workday but before the latter four weeks of a semester, workday participation for that semester remains applicable.
- Workday man-hours will only be applicable towards workday tasks. Special exceptions to this rule may be considered on a case-by-case basis (i.e., VIP, grass cutting and others as approved by Headmaster).
- Failure to participate in a scheduled workday or the performing of workday tasks will result in posting a \$250 fee to the member's bill. If participation is partial of six man-hours, billing will be prorated accordingly.

### **XXXIII. AISA REQUIREMENTS FOR ATHLETIC ELIGIBILITY**

#### ***A. Bona Fide Student***

1. To qualify as a bona fide student of an ASIA member school, an individual must be enrolled and in attendance for two full school days. To maintain the status, an individual must remain enrolled, sustain regular attendance, and be assigned a typical class schedule, which will allow normal progression toward graduation. In order to compete the day before the official opening day of school, that student must meet the bona fide student criteria of that school on opening day.
2. Any member school in interscholastic competition, which allows the participation of an athlete prior to the official opening day who does not qualify as a bona fide student on the official opening day of school, will forfeit to their opponents any and all games played by the member school while that student was a participant. This applies to both on-campus and off-campus competitions. At no time shall a student, parent or fan approach an official, opposing player or coach. Any contact with such persons shall come through the EA Coach, EA Athletic Director or EA Headmaster. Additionally, EA fans are expected to be beyond reproach in comments from the stands directed towards officials and opposing coaches/teams. Any fan exhibiting poor sportsmanship that may reflect negatively on EA may be instructed by the Athletic Director, Headmaster, Coach or any Board Member to cease the behavior or be excused from the event. Repeated negative conduct will result in a fine and/or a ban from future attendance at events.

It is important to be aware that the AISA strictly enforces the “Good Sportsmanship” Policy at all events. Any EA fan identified to be violating AISA policy and/or sportsmanship rules will be held responsible for any fines imposed upon the school. As a result of their behavior, fans should also be aware that AISA has the ability to sanction our school and disallow any post-season play for teams as a result of unruly fan behavior. PLEASE DO NOT ALLOW YOUR BEHAVIOR TO DENY EA’S TEAMS FROM A PLAY-OFF!
